Instagram has a Facebook-style feed, where you can view all the photos you upload, the people you follow, and even track specific places and hashtags to have a real-time look at what is going on.. Join the community of over 500 million people and express yourself by sharing all the moments of your day—the highlights and everything in between, too.. If this isn't enough to find what you want, you can also search photos by username, name, hashtag, or location.
