You agree that when you charge fee-based service before expiry of the deadline requirements until the date of cancellation werden.. It displays SEAT service centres on the POI not VW! Not sure if this is because of the car it's in or the change to the screen.. Just did a check on the hidden service menu, details as follows, Delivery Part No.. 1TOO35680C HW Version H04 SW Version 2760 Map West Europe Navteq Map Version 7333 HDD ST Number Partitions 2 So my question; If I want to upgrade the maps to V9 (2013) can I do it straight or do I need to update firmware? I understand I may not be able to get latest maps (V15) without firmware upgrades but I'm not sure about V9.
